ZONING COMMISSION ORDER NO. 156
CASE NO. 76-5
MAY 12, 1977

Pursuant to notice, a public hearing of the Zoning Commission was held on March 21, 1977, to consider an amendment to the text of the Zoning Regulations. This Amendment would remove the existing limitation on the number of machines permitted in a self-service laundry and substitute a floor area limit.

The Commission having met and having determined that the amendment will benefit the communities served by the self-services laundries and the economic welfare of the city as a whole, the Commission hereby ORDERS the adoption of the following amendment to the text of the Zoning Regulations:
